

Certification: KFLA

DR. LAWRENCE P. CLARK

Korn Ferry Leadership Architect™ Certification

Built on best practices and decades of research, the new Korn Ferry Leadership Architect™ offers the most powerful framework available today. Learn how to implement all 38 competencies or a tailored model within your organization to align your business strategy with your talent strategy.

Objectives:

- Interpret the research and best practices behind the new 38 competency framework.
- Identify differentiating competencies critical for success across an organization.
- Compare competency data to normative research studies, supply in workforce, and performance correlations by level and risk of derailment.
- Recognize all 10 career stallers and stoppers and determine approaches for driving behavior change.
- Differentiate development strategies for individuals at multiple levels.
- Explore how to implement competency models and language into existing HR and OD.

Results:

A global framework to drive higher business performance and success by effectively managing your most important asset - your talent.

WHO SHOULD ATTEND?

Practitioners who wish to learn more about competency-based HR processes, tools, and developmental language

Clients new to Korn Ferry's competency modeling and development approach.

Organizational Development

specialists who focus on succession planning efforts
